

ATTENTION: WRITERS & JOURNALISTS

The Journal of Undergraduate Materials Research is accepting submissions for feature articles!

We are currently seeking undergraduates to write feature articles about 1) a Materials scientist, 2) a specific Materials-related project, or 3) a university Materials Science department for our upcoming volume to be published in late 2015.

Please submit a 1-page writing sample before April 13, 2015 to be considered.
